IN APPRECIATION...

As we entered Marlborough High, Mr. Kamataris took a special interest in our class, giving advice and, sometimes the admonishment we needed. Since then, he has been more than a housemaster, he has been a friend to each of us. To show our appreciation for all he has done, we, the Class of 1985, are dedicating our yearbook to him.

Art
You kept to
graduate because
Jague was the
me. Hockey
will never be
so Hockey again.

The class of '85 would like to extend true appreciation to our Senior Class Advisor, Ms. Debra Ellsworth. We are grateful for the many hours you put in to make our senior year especially memorable. With your terrific spirit and enthusiasm this was accomplished. Thank you for your dedication!

IN MEMORY OF

PATRICIA LUNDBERG

Thank you for showing us how important the little things in life can be. We'll never forget how hard you struggled to be with us each day. Your determination to complete your commitments reassured us that life is worth living. Although we'll be graduating without you, we'll always remember you were a big part of the Class of 1985. God Bless you, Trishia.

The 1984-85 indoor track team was lead by senior captains Don Milligan, and Don Desjardins, and sophomore captain Eric Miele. We experienced a rebuilding season this year but with the help of upcoming underclassmen; the program should grow stronger over the next two years. The strength of next years team will be found in this years juniors: Jay Dzigas, Mark Zilembo, Dominic Naples, Steve Sardella and Mike Cole; sophomores: Pete Arcabascio, Eric Miele and Paul Plutnicki; and freshman standouts Jim Barnes and Greg Gowaski. The team would like to thank our coach Mike Josephson. Although it was his first season as head coach, he did the best he could with the limited amount of team members.
